2. Introduction

2.1

The depositor wishes to deposit material for archiving and distribution by the Oxford Text Archive of the University of Oxford for education, private study, and research ("educational purposes").

2.2

The Oxford Text Archive, is a partner in the Arts and Humanities Data Service (AHDS) funded by the Joint Information Systems Committee (JISC) to provide an archiving and distribution service for Arts and Humanities materials.

2.3

This agreement between the Depositor and the University of Oxford acting on behalf of the Oxford Text Archive provides the legal permissions and warranties needed to allow the Oxford Text Archive and the Arts and Humanities Data Service to preserve, and make accessible in a variety of formats and media the deposited materials for educational purposes.
